Remarks :
 The Jeanneau Yachts 65 stands as the flagship of Jeanneau’s luxury sailing range, blending Philippe Briand’s renowned naval architecture with Andrew Winch’s sophisticated interior design. This exceptional yacht offers a rare chance to acquire a highly specified model featuring the sought-after aft owner’s cabin layout, shoal draft keel, and numerous comfort enhancements. Key highlights include full air conditioning, elegant Iro-deck wood side decks, an exterior cockpit galley, and a premium Ocean electronics suite with dual Axiom XL displays, radar, AIS, and thermal imaging. Performance is optimized with a sleek white furling mast, Code 0 rigging, and electric winches for effortless sail handling. Equipped with generator, bow and stern thrusters, and luxurious finishes, this ex-demo yacht is ready for extended cruising and available with significant savings in Canet-en-Roussillon.
Accommodation :
The interior of this Jeanneau Yachts 65 features the sought-after aft owner’s cabin layout finished in Alpi® White Oak with “Ambiance Ivory” upholstery. The spacious owner’s suite aft offers a large double berth, bedside tables, a dedicated desk, sofa seating, and generous storage, complemented by an ensuite head with a separate shower. Two forward guest cabins provide comfortable berths and private heads, ensuring privacy for family or guests. The yacht also includes a fully equipped skipper cabin in the forepeak with two bunks and its own toilet and shower. The saloon is bright and inviting, with a folding Luxe table on an electric pedestal, two armchairs, and panoramic hull windows. The galley is fitted with Corian countertops, dishwasher, wine cabinet, microwave/grill, extractor fan, and large refrigeration units, making onboard dining a pleasure. Laundry facilities include a washing machine with dryer, while climate control is assured by a full air-conditioning system for all cabins and the skipper cabin. Every detail reflects Jeanneau’s commitment to luxury and practicality, creating a refined environment for extended cruising.
-Layout: Aft owner’s cabin, two forward guest cabins, three heads, plus skipper cabin with separate toilet/shower
-Interior Finish: White Oak with “Ambiance Ivory” upholstery
-Owner’s Cabin: Large double berth, desk, sofa, ample storage, ensuite head
-Guest Cabins: Two forward cabins with dedicated heads
-Galley: Corian countertops, oven, microwave/grill, dishwasher, wine cabinet, fridge/freezer, extractor fan-
-Extras: Washing machine/dryer, air conditioning in cabins and skipper cabin

i70s multifunction display   Ship Control Web Scheiber server (NMEA 2000) <h4>Anchoring & Mooring</h4> Stainless steel Delta anchor (50 kg) 100 m galvanized chain (14 mm) Mooring kit: 4 mooring lines, 10 fenders Electric windlass with second helm control and chain count <h4>Deck & Exterior</h4> Large fold-down swim platform with garage access Tender winch and garage protection kit Exterior cockpit galley with sink, plancha grill, fridge Cockpit cushions (Bora Bora Grey) Composite steering wheels (2) Protective covers for helm stations, tables, garage curtain Ambient deck lighting and underwater projectors   <h4>Rigging & Sails</h4> White painted furling mast Electric forestay furler Rigging for Code 0 and spinnaker fittings 2 electric rewind halyard winches (size 60) 2 additional electric genoa winches (size 70) North Sails tri-radial furling mainsail & self-tacking jib (Spectra/Carbon) Code 0 sail on furler
Mechanical :
  The boat is equipped for effortless performance and reliability at sea. A Volvo D4-175 HP diesel engine delivers smooth propulsion, paired with a Flexofold four-blade folding propeller for efficient power under load. A powerful Onan 17.5 kW generator ensures autonomy for onboard systems, complemented by additional domestic batteries and inverter. Manoeuvring is simplified with a bow thruster and retractable stern thruster, while electric sea and deck wash pumps add convenience. The yacht features a white painted furling mast with electric forestay furler, Code 0 rigging, and spinnaker fittings for versatile sail plans. Sail handling is optimised by two electric rewind halyard winches and two additional electric genoa winches, making trimming effortless. Premium North Sails tri-radial furling mainsail, self-tacking jib, and Code 0 complete the rigging package.

-Engine: Volvo D4-175 HP, Flexofold 4-blade folding propeller
-Generator: Onan 17.5 kW (with cocoon)
-Thrusters: Bow thruster + retractable stern thruster
-Rig: White painted furling mast, electric forestay furler, Code 0 rigging, spinnaker fittings
-Winches: 2 electric rewind halyard winches (size 60), 2 additional electric genoa winches (size 70)
-Sails: Furling mainsail & self-tacking jib (North Sails tri-radial Spectra/Carbon), Code 0 on furler
