<strong>Remarks :
<div> <p>The Jeanneau Yachts 65 stands as the flagship of Jeanneau&rsquo;s luxury sailing range, blending
Philippe Briand&rsquo;s renowned naval architecture with Andrew Winch&rsquo;s sophisticated interior
design. This exceptional yacht offers a rare chance to acquire a highly specified model featuring the sought-after aft
owner&rsquo;s cabin layout, shoal draft keel, and numerous comfort enhancements. Key highlights include full air
conditioning, elegant Iro-deck wood side decks, an exterior cockpit galley, and a premium Ocean electronics suite with
dual Axiom XL displays, radar, AIS, and thermal imaging. Performance is optimized with a sleek white furling mast, Code
0 rigging, and electric winches for effortless sail handling. Equipped with generator, bow and stern thrusters, and
luxurious finishes, this ex-demo yacht is ready for extended cruising and available with significant savings in
Canet-en-Roussillon.</p> </div>
<strong>Accommodation :</strong>
<p>The interior of this Jeanneau Yachts 65 features the sought-after aft owner&rsquo;s cabin layout finished in
Alpi&reg; White Oak with &ldquo;Ambiance Ivory&rdquo; upholstery. The spacious owner&rsquo;s
suite aft offers a large double berth, bedside tables, a dedicated desk, sofa seating, and generous storage,
complemented by an ensuite head with a separate shower. Two forward guest cabins provide comfortable berths and
private heads, ensuring privacy for family or guests. The yacht also includes a fully equipped skipper cabin in the
forepeak with two bunks and its own toilet and shower. The saloon is bright and inviting, with a folding Luxe table on an
electric pedestal, two armchairs, and panoramic hull windows. The galley is fitted with Corian countertops, dishwasher,
wine cabinet, microwave/grill, extractor fan, and large refrigeration units, making onboard dining a pleasure. Laundry
facilities include a washing machine with dryer, while climate control is assured by a full air-conditioning system for all
cabins and the skipper cabin. Every detail reflects Jeanneau&rsquo;s commitment to luxury and practicality,
creating a refined environment for extended cruising.</p><p><strong>

**Mechanical :**

The boat is equipped for effortless performance and reliability at sea. A Volvo D4-175 HP diesel engine delivers smooth propulsion, paired with a Flexofold four-blade folding propeller for efficient power under load. A powerful Onan 17.5 kW generator ensures autonomy for onboard systems, complemented by additional domestic batteries and inverter. Manoeuvring is simplified with a bow thruster and retractable stern thruster, while electric sea and deck wash pumps add convenience. The yacht features a white painted furling mast with electric forestay furler, Code 0 rigging, and spinnaker fittings for versatile sail plans. Sail handling is optimised by two electric rewind halyard winches and two additional electric genoa winches, making trimming effortless. Premium North Sails tri-radial furling mainsail, self-tacking jib, and Code 0 complete the rigging package.
