Remarks :

The Jeanneau Yachts 65 stands as the flagship of Jeanneau's luxury sailing range, blending Philippe Briand's renowned naval architecture with Andrew Winch's sophisticated interior design. This exceptional yacht offers a rare chance to acquire a highly specified model featuring the sought-after aft owner's cabin layout, shoal draft keel, and numerous comfort enhancements. Key highlights include full air conditioning, elegant Iro-deck wood side decks, an exterior cockpit galley, and a premium Ocean electronics suite with dual Axiom XL displays, radar, AIS, and thermal imaging. Performance is optimized with a sleek white furling mast, Code 0 rigging, and electric winches for effortless sail handling. Equipped with generator, bow and stern thrusters, and luxurious finishes, this ex-demo yacht is ready for extended cruising and available with significant savings in Canet-en-Roussillon.

Accommodation :

The interior of this Jeanneau Yachts 65 features the sought-after aft owner's cabin layout finished in Alpi; White Oak with "Ambiance Ivory" upholstery. The spacious owner's suite aft offers a large double berth, bedside tables, a dedicated desk, sofa seating, and generous storage, complemented by an ensuite head with a separate shower. Two forward guest cabins provide comfortable berths and private heads, ensuring privacy for family or guests. The yacht also includes a fully equipped skipper cabin in the forepeak with two bunks and its own toilet and shower. The saloon is bright and inviting, with a folding Luxe table on an electric pedestal, two armchairs, and panoramic hull windows. The galley is fitted with Corian countertops, dishwasher, wine cabinet, microwave/grill, extractor fan, and large refrigeration units, making onboard dining a pleasure. Laundry facilities include a washing machine with dryer, while climate control is assured by a full air-conditioning system for all cabins and the skipper cabin. Every detail reflects Jeanneau's commitment to luxury and practicality, creating a refined environment for extended cruising.

Layout: Aft owner's cabin, two forward guest cabins, three heads, plus skipper cabin with separate toilet/shower

Interior Finish: White Oak with "Ambiance Ivory" upholstery

Owner's Cabin: Large double berth, desk, sofa, ample storage, ensuite head

Guest Cabins: Two forward cabins with dedicated heads

Galley: Corian countertops, oven, microwave/grill, dishwasher, wine cabinet, fridge/freezer, extractor fan

- Electric forestay furler
- Rigging for Code 0 and spinnaker fittings
- 2 electric rewind halyard winches (size 60)
- 2 additional electric genoa winches (size 70)
- North Sails tri-radial furling mainsail & self-tacking jib (Spectra/Carbon)
- Code 0 sail on furler

Mechanical

The boat is equipped for effortless performance and reliability at sea. A Volvo D4-175 HP diesel engine delivers smooth propulsion, paired with a Flexofold four-blade folding propeller for efficient power under load. A powerful Onan 17.5 kW generator ensures autonomy for onboard systems, complemented by additional domestic batteries and inverter. Manoeuvring is simplified with a bow thruster and retractable stern thruster, while electric sea and deck wash pumps add convenience. The yacht features a white painted furling mast with electric forestay furler, Code 0 rigging, and spinnaker fittings for versatile sail plans. Sail handling is optimised by two electric rewind halyard winches and two additional electric genoa winches, making trimming effortless. Premium North Sails tri-radial furling mainsail, self-tacking jib, and Code 0 complete the rigging package.

Engine: Volvo D4-175 HP, Flexofold 4-blade folding propeller

Generator: Onan 17.5 kW (with cocoon)

Thrusters: Bow thruster + retractable stern thruster

Rig: White painted furling mast, electric forestay furler, Code 0 rigging, spinnaker fittings

Winches: 2 electric rewind halyard winches (size 60), 2 additional electric genoa winches (size 70)

Sails: Furling mainsail & self-tacking jib (North Sails tri-radial Spectra/Carbon), Code 0 on furler
