Remarks :

The Birchwood TS37 is a British-made motor cruiser well-regarded for its comfort, practicality, and solid construction. This model, typically 37 feet in length, features a spacious design with an emphasis on maximising interior and exterior living space, making it an ideal choice for extended cruising or live-aboard use. "Zaramach" is an excellent example of this classic motor boat having been fully refurbished by the previous owner including head linings, internal and external upholstery, woodwork and carpets. Additional works include Flexiteak decking, exterior carpets in rear cockpit and on the flybridge, underwater lights, cockpit enclosure and much more. Has to be seen to be appreciated. Recent survey available.

To arrange a viewing please contact us on 01243 550042.

Accommodation :

All woodwork, upholstery, carpets have been refurbished to a high standard. LED lighting throughout.
