<p>Nidolv 750 now in the online auction. everyone can bid until 16 March 2026.

<h2>Nidolv 750 from 1995 â#128;“ Comfortable and Stylish Motorboat for Relaxing Sailing Holidays</h2><p>The Nidolv 750 is a popular Norwegian motorboat known for its solid construction, comfortable layout, and pleasant sailing characteristics. This day cruiser from 1995 offers an excellent combination of space, performance, and equipment, making it an attractive choice for water sports enthusiasts looking for a versatile boat for holidays on inland waters and coastal areas.</p><h3>Nidolv 750 now in the online auction. Everyone can bid until March 16, 2026.</h3><h3>Spacious Layout and Comfortable Living Space</h3><p>With a length of 7.50 meters and a width of 2.50 meters, this Nidolv 750 offers a surprisingly spacious layout. The interior headroom is 2 meters, providing a pleasant sense of space inside. The boat has four fixed berths and four additional berths, making overnight stays with family or friends quite feasible. The interior is practically arranged with a dining area, a kitchen with a stove, refrigerator, and freezer, and a manual toilet. The available heater provides extra comfort during cooler days, significantly extending the sailing season.</p><h3>Performance and Motorization</h3><p>The Nidolv 750 is equipped with a Volvo Penta 4.3 inboard gasoline engine with a power of 205 hp. This engine is electrically started and has approximately 1600 operating hours. According to the specifications, the engine has been regularly checked by professionals, with maintenance documentation available. Thanks to this powerful engine, the boat is suitable for both leisurely trips and faster journeys over longer distances. The polyester hull contributes to stable and efficient sailing, even in changing weather conditions.</p><h3>Navigation and Steering</h3><p>The boat is steered via a steering wheel from the inside position, providing a sheltered and comfortable sailing experience. The boat is equipped with a single rudder, contributing to direct and precise steering. The clearance height of 2.70 meters allows passage under most bridges, increasing the sailing possibilities on inland waters. With a draft of 1 meter, the boat is suitable for various sailing areas, from rivers and lakes to sheltered coastal waters.</p><h3>Outdoor Equipment and Ease of Use</h3><p>On deck, the Nidolv 750 is equipped with a cockpit tent, tarpaulins, a cockpit table, and a swim platform with a swim ladder. This equipment makes the stay on board extra pleasant, both while sailing and when anchored. The electric anchor winch with chain facilitates anchoring, contributing to ease of use. The boat has two batteries and a battery charger, ensuring a stable power supply on board.</p><h3>Suitable for Holidays and Recreational Use</h3><p>This Nidolv 750 has primarily been used for sea holidays and has always been in the hands of one owner. According to the specifications, the boat has been regularly maintained by professionals, with a fully documented maintenance history. The combination of comfort, space, and performance makes this motorboat extremely suitable for longer stays on board and relaxing trips over inland and coastal waters.</p><h3>Stylish and Functional Design</h3><p>The design of the Nidolv 750 is typically Scandinavian: functional, solid, and with attention to detail. The polyester hull is low-maintenance and provides a solid foundation for years of sailing pleasure. The boat exudes timeless charm and is designed with comfort and ease of use in mind, both while sailing and during the stay on board.</p><p>This Nidolv 750 offers an excellent opportunity for those looking for a complete and comfortable motorboat with a proven track record. Thanks to the spacious layout, powerful engine, and extensive equipment, this vessel is ready for new adventures on the water.</p></p>
