## Various

Bavaria 42 now in the online auction. everyone can bid until 16 March 2026.

**Bavaria 42 from 1999** Comfortable and Spacious Sailboat for Long Voyages and Holidays

The Bavaria 42 from 1999 is a popular and spacious sailboat known for its comfortable sailing characteristics, solid construction, and practical layout. With a length of 13.40 meters and a width of 3.95 meters, this vessel offers an excellent balance between sailing performance and onboard living space. The hull is made of polyester and has a round bilge shape, contributing to a stable position in the water and a pleasant sailing experience, both on inland waters and at sea.

**Bavaria 42 now in the online auction. Everyone can bid until March 16, 2026.**

**Spacious Layout and Comfortable Accommodation**

Inside the Bavaria 42, there is a headroom of 1.95 meters, providing a pleasant living environment, even for longer stays on board. The boat has six fixed berths, divided over three cabins, and three additional berths, allowing space for up to nine people. This makes the vessel extremely suitable for families or groups who want to spend extended time on the water.

The accommodation is equipped with a manual toilet, a separate shower, a spacious dining area, and a well-equipped galley with a refrigerator, freezer, stove, microwave, and hot water. The hot air heating ensures that it is also pleasant to stay on board during cooler seasons. The mattresses in the cabins offer sufficient comfort for a restful night's sleep.

**Sailing Performance and Equipment**

The Bavaria 42 is equipped with an aluminum mast and has five sails, which have been recently renewed. Thanks to the furling system for both the foresail and the mizzen, the sail area is easy to handle, even with a smaller crew. The boat is equipped with a single rudder and is steered via a wheel in the spacious cockpit.

The sailboat is designed for speed and comfort, making it suitable for both sporty trips and relaxing holidays. The electric bow thruster facilitates maneuvering in harbors and narrow waterways. The electric anchor winch, combined with an anchor on chain and line, makes anchoring easy and safe.

**Navigation and Technology**

In terms of navigation, the Bavaria 42 is fully equipped with modern equipment, including AIS, autopilot, depth sounder, GPS, chart plotter, compass, log/speedometer, VHF radio, and wind meter. This equipment makes it possible to undertake both short and long trips with confidence.

The boat is powered by a Volvo inboard diesel engine with a power of 50 hp. The engine starts electrically and has an average consumption of 2.5 liters per hour. The fuel tank has a capacity of 150 liters, providing sufficient range for longer voyages. The electrical installation on board consists of a battery charger, inverter, and shore power connection, with voltage supply at 12V and 220V.

**Outdoor Space and Additional Equipment**

The cockpit is equipped with a sprayhood, cockpit tent, and cockpit table, providing shelter and comfort while sailing or docking. The teak deck finish gives the vessel a classic appearance and simultaneously offers a safe and non-slip surface. On deck, there are also davits, fenders, lines, a swim ladder, and a swim platform, making it easier to board from the water.

The Bavaria 42 is equipped with safety features such as a lifebuoy and a liferaft, contributing to safe sailing on open water. The boat has been used in the past for pleasure cruising and holidays and has proven to be a comfortable companion for both short trips and longer journeys.

**Versatile Sailboat with Character**

This Bavaria 42 combines space, sailing performance, and comfort in an attractive design. Thanks to the thoughtful layout, extensive equipment, and solid build quality, this vessel is suitable for sailors looking for a spacious cruiser for family holidays, coastal trips, or crossings to foreign destinations. The current owner has sailed with great pleasure and cites learning to sail with the children as one of the fondest memories of this boat.

With its classic lines, functional equipment, and spacious interior, this Bavaria 42 is an attractive choice for those looking for a sailboat with character and possibilities.
