## Various

**Sloep 570 now in the online auction. everyone can bid until 16 February 2026.**

**Sloop 570 with 30hp Parsun Outboard Motor** &#128;&#147; Comfortable Day Boat for Inland Waters

The Sloop 570 is a versatile and comfortable polyester sloop with a length of 5.70 meters and a width of 2.00 meters. This sloop is designed for relaxing trips on inland waters, canals, and ditches. Thanks to its spacious layout, practical equipment, and powerful motor, this model is extremely suitable for day trips with family or friends. The boat comes with a road trailer, which facilitates transport and storage.

**Sloop 570 now in the online auction. Everyone can bid until February 16, 2026.**

**Spacious Layout and Comfortable Seating**

The Sloop 570 offers a generous round seating area that can accommodate about eight people. This seating area can easily be converted into a sun deck, significantly enhancing onboard comfort during sunny days. The included cushions provide extra seating comfort, while the removable cockpit table allows you to enjoy a lunch or drink on the go. The bimini top provides shade on warm days and contributes to comfort during longer trips.

**Powerful Motor and Smooth Sailing Characteristics**

The sloop is equipped with a 30 hp Parsun outboard motor, built in 2022, with only 60 running hours. This motor is electrically started and provides enough power to easily achieve a cruising speed on inland waters. The maximum speed is about 30 kilometers per hour, making this sloop also suitable for towing a fun tube. The motor has been recently used and functions properly, contributing to a pleasant and carefree sailing experience.

**Practical Equipment and Extra Accessories**

Onboard, there is a wide range of equipment that enhances ease of use. The boat features a swim ladder, which makes getting in and out of the water easier. For safety, there are multiple life jackets available, as well as an electric bilge pump and a fire extinguisher. The boat is equipped with six fenders and various lines, making docking simple. An anchor with a line is also included, allowing you to moor or anchor at any desired moment.

A fun addition is the included fun tube with mounting materials, providing extra enjoyment on the water. There is also an extra jerrycan available for longer trips, ensuring you always have enough fuel on hand.

**Trailer and Transport Options**

The sloop comes with a road trailer without a license plate. The trailer is in reasonable condition and makes it possible to easily transport the boat to different sailing locations. This increases flexibility and allows the sloop to be used on various inland waters.

**Suitable for Recreational Use**

This Sloop 570 is ideally suited for recreational use, such as day trips with the family, relaxing canal cruises, or an afternoon sunbathing on the water. Thanks to the combination of space, comfort, and motor power, this sloop is an attractive choice for those looking for an accessible and complete day boat.

The boat was recently out of the water for maintenance in 2024 and underwent an antifouling treatment in 2022. No signs of osmosis have been observed. Steering is done via a steering wheel in the outer position, ensuring direct and clear control.

**In Summary**

The Sloop 570 with Parsun 30hp motor offers a comfortable and complete sailing experience for those looking for a spacious day boat for inland waters. With its practical layout, extensive equipment, and included trailer, this sloop is ready for immediate use. An ideal choice for those who want to hit the water with family or friends, or simply enjoy a relaxing day on the water.
