**<h2>UFO 600 Sailboat &acirc;=&#128;&#147; Compact and Stable Family Boat for Day Trips</h2><p>**The UFO 600 is a polyester sailboat with a length of 6 meters and a width of 2 meters. This compact sailor is designed for recreational use on inland waters and offers an accessible and stable sailing experience for both beginner and more experienced sailors. Thanks to its dimensions and construction, the UFO 600 is particularly suitable for day trips with family or friends on lakes and ponds.</p><strong>UFO 600 now in the online auction. Everyone can bid until March 16, 2026.</strong></h3><h3>Design and Construction</h3><p>The hull of the UFO 600 is made of polyester, a material known for its durability and low-maintenance properties. With a draft of 1 meter and an air draft of 6 meters, this boat is suitable for a wide range of inland waters, including the Frisian lakes, where the boat has been used before. The boat features a furling jib, which makes sailing easier and more efficient, especially in changing wind conditions.</p><p>The deck of the boat visually needs some attention, providing room for personalization or refreshing to your own taste. The boat is functionally equipped for day trips and offers enough space on board for a small group of passengers. The stable sailing characteristics make the UFO 600 a suitable choice for families or recreational sailors looking for an accessible and enjoyable sailing experience.</p><h3>Sailing Performance and Experience</h3><p>The UFO 600 is known for its stable sailing behavior, contributing to a relaxed and safe sailing experience. The boat is designed for use on lakes and other sheltered waters and has been used for recreational day trips in recent years. The combination of a furling jib and a balanced hull allows for smooth maneuvering, even in changing wind conditions.</p><p>The sailboat is easy to handle and offers sufficient control, even for less experienced sailors. This makes the UFO 600 an attractive option for families or individuals looking for an accessible entry into the world of sailing.</p><h3>Equipment and Extras</h3><p>The sale of this UFO 600 includes a road trailer. The trailer is braked, has a single axle but does not have a license plate. Although the trailer dates from 2008, it is functional and suitable for short-distance transport.&Acirc;&nbsp;</p><p>The last antifouling treatment was carried out in 2023, contributing to the protection of the hull against fouling. The boat was last taken out of the water for maintenance in 2025.</p><h3>Possibilities and Use</h3><p>The UFO 600 is ideally suited for day trips on inland waters. Thanks to its compact size, the boat is easy to trailer and launch, increasing flexibility to sail in different locations. The boat has been owned by the current owner for the past eight years, who has enjoyed sailing it in Friesland. The stable sailing characteristics and ease of use make this sailboat an attractive choice for recreational use.</p><h3>Summary</h3><p>This UFO 600 offers an accessible and stable sailing experience for those looking for a compact family boat for day trips. With its polyester hull, furling jib, and included trailer, the boat is ready for a new sailing season. Whether you are looking for a first sailboat or a practical addition to your fleet, this UFO 600 offers a solid foundation for many hours of sailing pleasure on the Dutch inland waters.</p></p>
