Various

Remarks :

This 2005 Beneteau Oceanis 473 is a well-established cruising yacht designed by Farr Yacht Design and built by Beneteau at La Rochelle, France. A capable and comfortable design that has earned a strong following for long-distance cruising, she is offered for sale in good order with a comprehensive specification and extensive recent upgrades that include a new bimini, passarelle, lazy bag, windlass, and forward-looking sonar fitted in 2024. The Oceanis 473 layout is well suited to extended passages and liveaboard use, with three cabins offering berths for up to eight and twin heads compartments. Powered by a Yanmar 4JH-THE 75hp diesel with approximately 1,100 hours recorded (October 2023), she benefits from an extended mast, twin solar panels, a wind generator, and water generator, providing excellent energy autonomy for offshore work. Twin complete sail sets, a storm sail, and a 180m² parasailor give the new owner flexibility across a wide range of conditions.

Highlights Listed below but included in Full Specs:

- Extended mast for enhanced performance
- Yanmar 4JH-THE 75hp diesel, approximately 1,100 hours (October 2023)
- Twin complete sail sets, plus storm sail and 180m² parasailor
- New forward-looking sonar (2024)
- New windlass (2024)
- New bimini, passarelle, and lazy bag (2024)
- Twin solar panels, wind generator, and water generator
- Six additional batteries (150Ah each)
- Raymarine navigation suite with radar
- AIS, EPIRB, and autopilot with repeater
- Satellite phone (Sailor 150) and handheld satellite phone
- Air conditioning and Webasto diesel heating
- Bow thruster

Accommodation :

ACCOMMODATION

- Air conditioning

- Webasto heating

- Smart TV

- Flat-screen TV

- DVD player

- Electric refrigerator

- Gas cooker (3-burner)

- Manual WC

- Shower

LAYOUT

The interior offers a functional and comfortable layout optimised for long-term cruising. The saloon features ample seating and entertainment options, with dedicated navigation and galley spaces. Cabins provide generous berth sizes and storage, ideal for extended time aboard.

DOMESTIC

Onboard systems include full air conditioning and heating, electric refrigeration, a gas cooker, and entertainment via Smart and flat-screen TVs, plus DVD player. These domestic amenities enhance onboard living whether at sea or at anchor.
