<h2>Schottel Vlet 400 â#128;“ Compact Steel Sloop for Relaxed Boating Trips</h2><p>The Schottel Vlet 400 is a compact, steel sloop with a length of approximately 4 meters and a width of 1.6 meters. This boat is designed for leisurely trips on inland waters, canals, ditches, lakes, and rivers. Thanks to its robust construction and practical layout, this model is ideal for day trips, whether solo or with company. The Schottel Vlet 400 combines a classic appearance with functional simplicity, offering an accessible boating experience for both novice and experienced water sports enthusiasts.</p><h3>Schottel Vlet 400 now in the online auction. Everyone can bid until February 16, 2026.</h3><h3>Construction and Design</h3><p>The hull of the Schottel Vlet 400 is entirely made of steel, contributing to its solid sailing characteristics and a stable feel on the water. With a draft of only 30 centimeters, this sloop is particularly suitable for shallow waters, such as canals and ditches. The boat is equipped with a rope fender all around, which not only enhances the classic look but also provides protection when docking.</p><p>In 2022 and 2023, the sloop underwent a thorough refurbishment, with various parts renewed or improved. The exterior was treated with antifouling in 2023, protecting the hull against fouling and enhancing sailing efficiency. The boat is equipped with a rope fender, fenders, and lines, making mooring easier and providing extra safety on board.</p><h3>Motorization and Performance</h3><p>The Schottel Vlet 400 is powered by a 4-stroke Johnson outboard motor with a power of 5 hp. This motor is hand-started and runs on gasoline. The motor provides sufficient power for relaxed trips on calm waters, with an emphasis on comfort and enjoying the surroundings. The outboard motor is easy to operate and makes the boat maneuverable, even in narrow waterways.</p><h3>Comfort and Equipment</h3><p>On board, the Schottel Vlet 400 is surprisingly well-equipped for its size. The boat features comfortable outdoor cushions, a movable table, and a storage compartment for personal items or equipment. A tarpaulin is included, allowing the boat to be easily covered when not in use or during storage. The combination of seating comfort and practical amenities makes this sloop suitable for relaxed day trips with friends or family.</p><p>The open cockpit offers ample space for multiple passengers, while the low entry and stable position contribute to a safe and accessible boating experience. Thanks to the straightforward layout, the boat is easy to steer and maintain.</p><h3>Boating Experience and Usage Possibilities</h3><p>The Schottel Vlet 400 is ideally suited for recreational use on inland waters. Whether it's a leisurely trip through the canals, an afternoon on the lakes, or a relaxed cruise on a river, this sloop offers a comfortable and accessible way to enjoy the water. The boat has been used for day trips in the past and is perfect for short outings where relaxation is key.</p><p>Thanks to its compact size, the sloop is easy to maneuver and store. Although no trailer is included, the size of the boat is suitable for transport on a standard boat trailer.</p><h3>Style and Appearance</h3><p>With its classic lines, steel hull, and rope fender, the Schottel Vlet 400 has a timeless appearance that fits well in both urban and rural boating environments. The combination of traditional design and practical equipment makes this sloop attractive to enthusiasts of authentic boats with a functional character.</p><h3>Conclusion</h3><p>The Schottel Vlet 400 is a compact, steel sloop that is perfect for relaxed boating trips on inland waters. With its practical equipment, stable sailing characteristics, and classic appearance, this boat offers an accessible way to enjoy the outdoors on the water. Ideal for those looking for a characterful sloop for recreational use.</p></p>
