<p>Monterey 276 now in the online auction. everyone can bid until 16 February 2026.

<h2>Monterey 276 â#128;“ Sporty Weekend Cruiser with Comfort and Performance</h2><p>The 1997 Monterey 276 is a sporty and versatile weekend cruiser that combines comfort and performance on the water. With a length of 8.70 meters and a width of 2.50 meters, this polyester motor yacht offers a balanced ratio of space, maneuverability, and sailing characteristics. The V-bottom hull ensures stable positioning and smooth sailing, even at higher speeds. This boat is designed for pleasure boating enthusiasts who value comfort, style, and functional equipment.</p><h3>Monterey 276 now in the online auction. Everyone can bid until February 16, 2026.</h3><h3>Comfortable Layout and Practical Amenities</h3><p>Inside, the Monterey 276 offers surprisingly spacious accommodation with a headroom of 1.90 meters. The layout is focused on comfortable onboard living, with a fixed sleeping area for two people and additional sleeping space for three guests. The salon features a cozy dining area that can easily be converted into extra sleeping space. The kitchen is equipped with a refrigerator, microwave, oven, freezer, and hot water supply, making longer stays on board pleasant and practical.</p><p>The wet cell includes a manual toilet and a shower, with a drainage system that does not discharge directly into open water. The hot air heating ensures a pleasant indoor climate, even on cooler days. Thanks to the thoughtful layout, this cruiser is suitable for both day trips and multi-day voyages.</p><h3>Powerful Diesel Engine and Smooth Sailing Characteristics</h3><p>The Monterey 276 is equipped with a Volvo Penta KAD42P-A inboard diesel engine with a power of 230 hp. This six-cylinder engine is electrically started and delivers a cruising speed of approximately 13 km/h, with a top speed of up to 50 km/h. The engine was completely overhauled in 2019 and had a maintenance service in 2025, including the stern drive. All maintenance documentation is available, providing insight into the technical condition of the ship.</p><p>The electric bow thruster facilitates maneuvering in harbors and narrow waters. Steering is done via a steering wheel from the inside position, ensuring a comfortable and clear sailing experience. The boat is equipped with various instruments, including a fuel gauge, oil pressure gauge, temperature gauge, and tachometer.</p><h3>Navigation and Electrical Equipment</h3><p>For navigation, the boat is equipped with a depth gauge, compass, log/speedometer, and VHF radio. The electrical installation includes a battery charger, inverter, shore power connection, and three batteries. The onboard voltage is 220V and 24V, providing sufficient capacity for all electrical facilities.</p><h3>Outdoor Space and Equipment</h3><p>The outdoor space of the Monterey 276 is designed for relaxation and ease of use. The cockpit is equipped with a cockpit table, bimini, sprayhood, and tarpaulins, allowing you to sit both sheltered and in the sun. The swim platform with swim ladder makes it easy to get in and out of the water, ideal for recreation on warm days. The electric anchor winch and the available fenders and lines contribute to ease of use during mooring.</p><h3>Versatile Use on Inland Waters</h3><p>This Monterey 276 has been primarily used on inland waters and is excellent for pleasure boating and weekend stays. Thanks to the combination of comfort, performance, and equipment, the ship is suitable for both novice and experienced water sports enthusiasts looking for a sporty cruiser with ample space and possibilities.</p><p>With its timeless lines, functional layout, and powerful engine, this Monterey 276 offers an attractive option for those looking for a sports boat with overnight accommodations. An ideal choice for relaxing trips, weekend getaways, or active days on the water.</p></p>
