Bayliner 2655 wide body now in the online auction. everyone can bid until 16 March 2026.

Bayliner 2655 Wide Body €“ Spacious and Stylish Sport Cruiser with Modern Equipment

The Bayliner 2655 Wide Body from 1989 is a sporty and comfortable motorboat that stands out due to its wide hull, generous interior space, and extensive equipment. This model is special because of its rare wide body design, which provides extra living space on board. With a length of 9.25 meters and a width of 3.25 meters, this Bayliner offers a pleasant combination of sailing characteristics, comfort, and style. Thanks to a thorough technical and cosmetic renovation in recent years, this vessel is ready for many seasons of sailing pleasure on inland waters, lakes, and rivers.

Bayliner 2655 Wide Body now in the online auction. Everyone can bid until March 16, 2026.

Comfortable Layout and Spacious Accommodation

The Bayliner 2655 Wide Body is designed with comfort and ease of use in mind. Inside, the ship offers a headroom of 1.92 meters, contributing to a spacious feeling in the cabin. The layout is practical and well-thought-out, with a separate sleeping area at the front and a cozy seating area that can easily be converted into additional sleeping places. In total, there are four fixed berths and two additional sleeping options, ideal for families or couples who enjoy staying on board for extended periods.

The kitchen is equipped with a ceramic stove, refrigerator, freezer, and hot water supply. The dining area features a stylish teak table and comfortable cushions. The wet cell has a manual toilet and a shower, with the drainage not directly discharging into open water. The interior is finished with waterproof carpeting and modern LED lighting, creating a pleasant atmosphere on board.

Technology and Performance

The boat is equipped with a powerful Mercruiser 5.0 MPI injection engine, installed in 2025 by a certified specialist. This modern inboard engine offers excellent performance and is electrically started. The engine underwent maintenance in October 2025 and has since been winterized. The stern drive was previously fitted with a new impeller and rubbers.

The electrical installation has been renewed and consists of three batteries, a battery charger, alternator, shore power connection, and an inverter that provides 220V while sailing. This makes it possible to use household appliances, such as the refrigerator or a smart TV, while underway. Navigation equipment such as a depth gauge, fishfinder, and compass are present, facilitating navigation on various waters.

Outdoor Space and Equipment

The outdoor space of this Bayliner is functional and inviting. The cockpit is equipped with a cockpit table, comfortable outdoor cushions, and a bimini for shaded moments. The sprayhood and cockpit tent offer protection against weather conditions, while the swim platform with swim ladder provides easy access to the water. Custom-made sun loungers are placed on the foredeck, ideal for relaxing moments in the sun.

Sailing Experience and Possibilities

This Bayliner 2655 Wide Body is suitable for various sailing conditions and offers a pleasant sailing experience on inland waters, lakes, and rivers. With a clearance height of 2.75 meters, the ship is suitable for many bridges in the Netherlands. The draft of 90 cm allows for navigation in shallower waters.

The boat has been used in recent years for pleasure cruising, vacations, and weekend trips. The combination of space, comfort, and modern technology makes this vessel attractive to water sports enthusiasts looking for a sport cruiser with character and contemporary equipment.

Conclusion

The Bayliner 2655 Wide Body from 1989 is a striking and spacious sport cruiser that, thanks to an extensive renovation, features modern technology and a fresh appearance. With its generous interior space, powerful engine, extensive equipment, and comfortable layout, this vessel is an interesting choice for those looking for a versatile motorboat for recreational use. The boat is ready to sail and offers

plenty of opportunities for relaxing trips and adventurous vacations on the water.</p></p>
