BAVARIA 42 Cruiser

After more than 10 years of full satisfaction with our previous Bavaria 39, we acquired this model in 2022 for even more comfort and versatility. Unfortunately, life's uncertainties do not allow us to continue with boating, and it is with regret that we offer this superb example. It has all the essential equipment for long-distance sailing, even in winter thanks to the heating! A major advantage, the teak deck has been completely redone. There is virtually nothing left to do but turn the key to enjoy it. More details and pictures on [xboat.uk](https://xboat.uk)</p>
