Remarks :

The Moody 35, designed by Bill Dixon and built by Marine Projects (Plymouth) in 1996, is a proven and popular cruising yacht known for its solid construction, comfortable layout, and dependable sailing performance.

This example is well-equipped and maintained, featuring a reliable Volvo Penta 40hp engine, Eberspacher cabin heating, shore power with an inverter, and a comprehensive Raymarine navigation suite including radar and a chartplotter.

Accommodation is spacious and beautifully finished in teak, offering six berths across two cabins and the saloon, a large owner's aft cabin with en-suite access, a practical L-shaped galley, and bright, airy cabins.

With her easy-to-handle Kemp rig, Furler furling headsail, electric windlass, and full cockpit enclosure, this Moody 35 is a capable, comfortable, and ready-to-sail cruiser ideal for extended coastal or offshore adventures.

Accommodation :

Sleeps 6 in two separate cabins and the saloon area

Double V berth in the forward cabin

Port and starboard settee seating with single berths in the saloon

Aft-facing chart table to port

walkthrough heads accessed from the saloon and aft cabin

L-shaped Galley to starboard aft of the saloon and in the passageway to the aft cabin

Large owners aft cabin with a double berth, seating and ample storage

Teak Interior joinery

Teak and holly cabin soleboards

Eberspacher diesel-fired cabin heating system
