Reference: N67ENTH4510

<strong>20% reduction in fuel consumption</strong>

li>Invoice available

<h2>Technical Specifications</h2>

Manufactured jointly by <strong>Yarding</strong> and <strong>Jeanneau</strong>

Less than <strong>4 meters wide</strong>

Less than <strong>13 meters long</strong>

<strong>Three double cabins</strong>

Fuel tank bottom recovery system

Dual filtration system

<strong>1900-liter diesel tanks</strong>

<h2>Additional Equipment</h2>

<strong>Generator</strong> 6KVA

<strong>80 A</strong> battery charger

<strong>Bow thruster</strong>

<strong>450-liter stainless steel water tank</strong>

Additional 200-liter flexible tank

Stern platform with davit system for tender lifting

<h2>Marina Berth and Price</h2>

Marina berth available in a pleasant port in the <strong>Balearic Islands</strong>

Recent price reduction

<h2>History Yarding Yachts</h2>The <strong>Yarding Yachts</strong> were created bv <strong>Jeanneau</strong> and the Italian <strong>Ferretti Craft</strong>. This European shipyard, which combined <strong>French production technology</strong> with <strong>Italian design</strong>, no longer exists and was ultimately absorbed by <strong>Jeanneau</strong>.<h2>Why is this Yarding 42 Flybridge interesting to buy?</h2>This <strong>Yarding 42 Flybridge</strong> is particularly interesting to buy for several reasons. Firstly, its <strong>new IVECO common rail engines</strong> offer a significant reduction in fuel consumption, which is economical in the long term. Additionally, its compact size with <strong>three double cabins</strong> makes it ideal for family or friends' trips. The availability of a <strong>marina berth</strong> in the <strong>Balearic Islands</strong> adds valuable convenience for boat owners. Finally, the <strong>recent price reduction</strong> makes this boat even more attractive on the market.<h2>What is the use of this Yarding 42 Flybridge?</h2>The <strong>Yarding 42 Flybridge</strong> is ideal for family or friends' cruises thanks to its <strong>three double cabins</strong> and complete equipment. It is perfect for long-distance travel and sea escapades.<h2>What are the comfort elements of this Yarding 42 Flybridge?</h2>

- <strong>Three double cabins</strong> for optimal comfort
- <strong>6KVA generator</strong> for reliable electrical power
- <strong>80 A battery charger</strong> for increased autonomy
- <strong>Bow thruster</strong> for easy maneuverability
- <strong>450-liter stainless steel water tank</strong> plus <strong>200-liter flexible tank</strong> for water autonomy
  - Davit system for tender lifting for easy tender transport
- <h2>What are the cruising and navigation capabilities of this Yarding 42 Flybridge?</h2>
  - <strong>1900-liter fuel capacity</strong> for long-distance cruising
  - <strong>IVECO common rail engines</strong> for reduced consumption and increased performance
  - Complete navigation equipment for safe and comfortable navigation
  - Marina berth available in the <strong>Balearic Islands</strong> for easy access to the sea
