Reference: N67ENTH4510

20% reduction in fuel consumption

Invoice available

<h2>Technical Specifications</h2>

Manufactured jointly by Yarding and Jeanneau

Less than 4 meters wide

Less than 13 meters long

Three double cabins

Fuel tank bottom recovery system

Dual filtration system

1900-liter diesel tanks

<h2>Additional Equipment</h2>

Generator 6KVA

80 A battery charger

Bow thruster

450-liter stainless steel water tank

Additional 200-liter flexible tank

Stern platform with davit system for tender lifting

<h2>Marina Berth and Price</h2>

Marina berth available in a pleasant port in the Balearic Islands

Recent price reduction

<h2>History of Yarding Yachts</h2><p>The Yarding Yachts were created by Jeanneau and the Italian Ferretti Craft. This European shipyard, which combined French production technology with Italian design, no longer exists and was ultimately absorbed by Jeanneau.</p><h2>Why is this Yarding 42 Flybridge interesting to buy?</h2><p>This Yarding 42 Flybridge is particularly interesting to buy for several reasons. Firstly, its new IVECO common rail engines offer a significant reduction in fuel consumption, which is economical in the long term. Additionally, its compact size with three double cabins makes it ideal for family or friends' trips. The availability of a marina berth in the Balearic Islands adds valuable convenience for boat owners. Finally, the recent price reduction makes this boat even more attractive on the market.</p><h2>What is the use of this Yarding 42 Flybridge?</h2><p>The Yarding 42 Flybridge is ideal for family or friends' cruises thanks to its three double cabins and

complete equipment. It is perfect for long-distance travel and sea escapades.

What are the comfort elements of this Yarding 42 Flybridge?

- **Three double cabins** for optimal comfort
- **6KVA generator** for reliable electrical power
- **80 A battery charger** for increased autonomy
- **Bow thruster** for easy maneuverability
- **450-liter stainless steel water tank** plus **200-liter flexible tank** for water autonomy
- Davit system for tender lifting for easy tender transport

What are the cruising and navigation capabilities of this Yarding 42 Flybridge?

- **1900-liter fuel capacity** for long-distance cruising
- **IVECO common rail engines** for reduced consumption and increased performance
- Complete navigation equipment for safe and comfortable navigation
- Marina berth available in the **Balearic Islands** for easy access to the sea
