<p>Galia Galeon 560 cruiser now in the online auction. everyone can bid until 16 March 2026.

<h2>Galia Galeon 560 Cruiser from 1999 with Suzuki 100 HP Outboard Motor</h2><p>The Galia Galeon 560 Cruiser is a sporty and versatile motorboat, perfect for day trips, recreational boating, and relaxing moments on the water. This 1999 model combines a sleek design with practical sailing features and is equipped with a Suzuki DF100BTL outboard motor from 2012. With a length of 5.60 meters and a width of 2.45 meters, this polyester cruiser offers a comfortable and accessible boating experience for both novice and more experienced water sports enthusiasts.</p><h3>Galia Galeon 560 Cruiser now in the online auction. Everyone can bid until March 16, 2026.</h3><h3>Design and Construction</h3><p>The hull of the Galia 560 Cruiser is made of polyester, a material known for its durability and low-maintenance properties. The boat's design focuses on stability and efficiency, with a draft of only 50 cm, allowing it to navigate shallower waters. The compact dimensions make this boat agile and easy to maneuver, both on open water and in harbors or narrow waterways.</p><p>The cabin provides shelter from wind and rain, enhancing comfort during changing weather conditions. The layout is functional and geared towards practical use, with ample storage space and seating. The style of the Galia 560 is sporty and timeless, with a hull design that still looks modern today.</p><h3>Motorization and Performance</h3><p>This Galia 560 Cruiser is equipped with a Suzuki DF100BTL outboard motor with a power of 100 HP. The motor is electrically started and features four cylinders, ensuring smooth and efficient power delivery. Suzuki's injection technology contributes to more economical fuel consumption and immediate response while sailing. The motor was installed in 2012 and provides enough power for both leisurely trips and faster voyages over lakes, rivers, or coastal waters.</p><p>Thanks to the combination of hull design and motor power, the boat is suitable for various sailing styles, from relaxed cruising to more sporty use. The sailing characteristics focus on comfort and control, with a good balance between speed and stability.</p><h3>Equipment and Options</h3><p>The Galia 560 Cruiser comes with a road trailer, facilitating the transport and storage of the boat. The trailer is functional and suitable for road transport, although it is not equipped with a license plate. This makes it easy to move the boat to different sailing locations, increasing flexibility for the owner.</p><p>Signs of use are visible on board, appropriate for the boat's age. However, these signs do not detract from the functional usability of the vessel.Â </p><h3>Sailing Experience and Use</h3><p>The Galia Galeon 560 Cruiser offers an accessible and enjoyable sailing experience. Thanks to the clear layout and compact size, the boat is easy to operate, even for those with less experience with motorboats. The combination of a powerful motor and a streamlined hull allows for quick acceleration and smooth sailing, even in changing conditions.</p><p>This boat is suitable for day trips with family or friends, as well as solo outings or sporty voyages. The cabin provides shelter and allows for comfortable sailing even in less favorable weather.</p><h3>Summary</h3><p>The Galia Galeon 560 Cruiser from 1999 is a compact and versatile motorboat with a sporty appearance and practical features. Equipped with a Suzuki 100 HP outboard motor from 2012 and delivered with a road trailer, this boat offers a wide range of possibilities for recreational use. Whether it's leisurely boating on inland waters or exploring new sailing areas, this Galia 560 is an interesting choice for those looking for a functional and stylish motorboat.</p></p>
