<p>Four Winns 170 Freedom now in the online auction. everyone can bid until 16 March 2026.

<h2>Four Winns 170 Freedom â#128;“ Sporty and Compact Speedboat with Potential</h2><p>The Four Winns 170 Freedom from 1990 is a sporty and agile speedboat with a length of 5.10 meters and a width of 2.25 meters. This compact runabout is built by the renowned American shipyard Four Winns, known for their solid polyester boats with a thoughtful hull design and comfortable layout. The 170 Freedom is designed for recreational use on inland waters and sheltered coastal areas, offering space for relaxing day trips, water sports activities, or simply enjoying the ride.</p><h3>Four Winns 170 Freedom now in the online auction. Everyone can bid until March 16, 2026.</h3><h3>Design and Hull Construction</h3><p>The hull of the Four Winns 170 Freedom is made of polyester and features a classic V-bottom. This hull shape ensures stable positioning in the water and a smooth ride, even at higher speeds or in light waves. The boat is equipped with wheel steering, making maneuvering simple and direct. Thanks to its compact dimensions, this speedboat is easy to trailer and store, making it attractive for those seeking flexibility and mobility.</p><h3>Engine and Performance</h3><p>The boat is equipped with an OMC inboard engine with a power of 130 hp. This four-cylinder engine is electrically started. The engine is currently detached, and its operation has not been tested, providing room for revision or replacement as desired. For handy DIY enthusiasts or fans of technical projects, this could be an interesting opportunity to optimize the boat according to personal preferences. The power of the engine combined with the light weight of the boat makes the model suitable for sporty performances on the water, such as water skiing or wakeboarding, provided the engine is brought into working condition.</p><h3>Interior and Comfort</h3><p>The upholstery of the seats is in good condition and accommodates multiple passengers. The layout is functional and focused on comfort while sailing. The open cockpit offers sufficient freedom of movement and is ideal for day trips with family or friends. The finish is typical of the construction period, with a classic look that will appeal to fans of timeless designs.</p><h3>Possibilities and Use</h3><p>The Four Winns 170 Freedom is ideally suited for recreational use on lakes, rivers, and other inland waters. Thanks to its compact size, the boat is easy to handle, even for less experienced skippers. The boat offers opportunities for day trips, water sports, or simply relaxing sailing. For those looking for a project boat with potential, this model provides a solid foundation for further personalization or upgrades.</p><h3>Documentation and Registration</h3><p>The boat comes with an RDW registration with number YS-00-52. The registration certificate is present, simplifying the transfer and administration.Â </p><h3>Conclusion</h3><p>The Four Winns 170 Freedom from 1990 is a compact and sporty speedboat with a classic appearance and functional design. With its polyester hull, V-bottom, and powerful inboard engine, it offers a solid foundation for recreational use. Although the engine status is unknown, this makes the boat interesting for buyers looking for a project or a vessel that can be customized according to personal preferences. This speedboat combines style, space, and performance in a handy size, making it an attractive choice for those who want to hit the water with a characterful and versatile boat.</p></p>
