Washing machine : No

TV antenna : No

SAT-TV : No

IceMaker : No

Oven : No

Gas stove : No

Heater : No

Dishwasher : No

TV : No

Various

Remarks :

"Bright Star" - 1980 LM27 much loved by her current and previous owner. She is offered for sale through no fault of her own, but now new adventures await her with a new owner.

Built in 1980, she has been very nicely maintained over the years. This can be seen by her general condition, and replacement engine in 2008 which still looks to be in fantastic condition. Her current owner has upgraded and loved her in many areas, highlighted further into this advert.

Overall these are lovely 6 berth family cruising boats, which are designed to take the rough stuff.

LM Yachts grew from a wooden furniture factory in Lunderskov, Denmark. The company grew into fibreglass production in the 1950's, and by 1969 they began production of the well-known LM sail boats. The LM 27 because Europe's most produced motor sailor at the time. Truly, a heritage to be admired, and a yacht built to last.

She is lay afloat, and ready for viewing in Milford Marina. Approximately 150 yards from our office door.
Contact Louis at Yachts Co Milford Marina on 01646 278270, WhatsApp 07709 095683 or milford@yachts.co for further information and bookings.

Accommodation :
