Sunreef 74 for sale
This Sunreef 74 for sale is a luxury catamaran offering a rare opportunity to acquire a seaworthy multihull ready to sail, without the high costs or prolonged delays of a new purchase. In the current context, a new Sunreef 74 represents a significantly higher investment with substantial delivery times; this Sunreef 74 is available immediately.
Built by the Sunreef Yachts shipyard, this 22.5-meter Sunreef 74 features a wide and stable platform, advanced composite construction, and excellent seagoing behavior, perfectly suited for long-distance cruising, offshore sailing, and family cruising. The sailing is smooth, secure, and comfortable, both at sea and at anchor, especially for its owners who live aboard and have sailed extensively.
The interior offers exceptional volumes for a cruising catamaran, with a bright panoramic saloon, an open kitchen integrated into the living space, and a large central bar, promoting conviviality and life on board. The layout includes an owner's cabin, three double guest cabins, and two crew cabins, allowing for private use or with a crew.
The outdoor spaces are particularly successful, with a well-protected flying bridge, offering comfort, privacy, and excellent habitability. The cockpits and decks are spacious, secure, and perfectly adapted to cruising.
This Sunreef 74 has always been meticulously maintained by its owners, a family passionate about sailing. As their children have grown, they have chosen to return to land, paving the way for a new adventure for this Sunreef 74 for sale.
