<p>Sealine 215 now in the online auction. everyone can bid until 16 March 2026.

<h2>Sealine 215 Sportcruiser â=€“ Compact All-Round Motorboat with Comfort and Performance</h2><p>The Sealine 215 is a sporty and versatile motorboat that is perfect for both relaxing day trips and short multi-day stays on the water. With a length of 7.20 meters and a width of 2.50 meters, this sport cruiser offers surprisingly ample space and comfort on board. The boat was built in 1991 and is made of durable polyester, contributing to a solid and low-maintenance construction. Thanks to its thoughtful layout and practical equipment, this Sealine 215 is an attractive choice for pleasure boating enthusiasts on inland waters, lakes, and rivers.</p>Sealine 215 now in the online auction. Everyone can bid until March 16, 2026.</h3><h3>Performance and Sailing Characteristics</h3><p>Under the hood is a powerful Volvo Penta inboard gasoline engine with 210 hp and eight cylinders. This engine ensures smooth acceleration and makes it possible to quickly get on plane. The cruising speed is around 20 km/h, while the top speed can reach approximately 55 km/h. This makes the boat suitable for both sporty sailing and relaxing trips. The hull is designed for stability and course stability, contributing to a comfortable sailing experience, even in changing weather conditions or light waves.</p><p>The boat is easy to maneuver thanks to its compact size and clear layout. This makes docking and navigating in harbors or narrow waterways accessible, even for less experienced skippers.</p><h3>Interior and Onboard Comfort</h3><p>The Sealine 215 features a surprisingly spacious cockpit with comfortable seating, ideal for enjoyable moments with family or friends. The cockpit is equipped with a bimini and cockpit tent, providing shelter from sun or rain. Outside, there is also a swim platform and swim ladder, making docking or swimming easier.</p><p>Inside the cabin, the headroom is 1.85 meters, providing pleasant freedom of movement. The layout includes a dining area, refrigerator, microwave, and hot water supply. There are two fixed berths and two additional berths available, making overnight stays on board quite feasible. The presence of a manual toilet and a 200-liter water tank adds to the comfort during longer trips.</p><h3>Technical Equipment and Safety</h3><p>The boat is equipped with various instruments, including a fuel tank gauge, oil pressure gauge, temperature gauge, and tachometer. For power supply, there are two batteries, supplemented with a battery charger, alternator, inverter, and shore power connection. The electric bilge pump and lifebuoy contribute to onboard safety.</p><p>Navigation is possible with the help of a compass and VHF radio. The onboard voltage is 12v and 220v, allowing the use of various electrical appliances. The anchor is secured with chain and line and is operated with a manual windlass.</p><h3>Style and Possibilities</h3><p>The Sealine 215 combines sporty lines with a functional layout. The exterior cushions, fenders, and tarpaulins ensure a well-maintained appearance and practical protection. This sport cruiser is suitable for a variety of purposes, from day trips to weekend stays, and offers a pleasant balance between ease of sailing, comfort, and performance.</p><p>With its powerful engine, spacious cockpit, and practical amenities, this Sealine 215 is an attractive choice for water sports enthusiasts looking for a compact yet complete motorboat. The boat is ready for use and offers plenty of opportunities for enjoyable hours on the water.</p></p>
