Remarks :
We are excited to bring to market 'Sea Eagle III'. A highly specified example of the flagship model in the Cap Camarat CC range. The Jeanneau Cap Camarat 10.5 CC sets a new benchmark in the world of premium centre console boats, seamlessly blending exhilarating performance, refined comfort, and exceptional versatility which delivers an unforgettable on-water experience for discerning owners.
 Built on a powerful deep-V hull, the 10.5 CC offers outstanding offshore capability and confident handling in all conditions. The mighty twin outboard Yamaha 425hp outboards deliver thrilling acceleration and impressive cruising efficiency. Having covered many nautical miles aboard large Cap Camarat's we have experienced first hand just how much more fuel efficient these engines are compared to the twin 300hp set up. The helm has cutting-edge ergonomics and intuitive controls ensure total command, whether cruising at speed or manoeuvring with the electric steer and joystick in close quarters. Designed with entertaining in mind, the exterior spaces are generous, fluid, and inviting. Dual cockpit lounges, wide side decks, and expansive sunbathing areas create a true open-air living environment. A stylish T-top provides welcome shade, while the well-appointed aft galley — complete with sink, refrigerator, and cooking options transforms the cockpit into the perfect social hub. Practical features such as rod holders, ski pole and a side boarding door with swim ladder ensure the boat is equally suited to watersports, fishing, or relaxed family outings. Below deck, the Cap Camarat 10.5 CC surprises with the comfort of a much larger cruiser. The bright, refined interior offers four full berths, a convertible forward saloon, a private aft double cabin, and a fully equipped head with separate shower. Thoughtful design, quality materials, and excellent natural light create an inviting space for overnight stays and extended weekends on the water.

Having sold the boat new she remains with her original owners and happens to be the fourth Jeanneau we have supplied to these seasoned boaters. Due to now wanting to stay closer to home and spend days exploring our local harbour we are offering the opportunity to purchase one of only a handful of 10.5 CC's in the UK which is so much more than just the ULTIMATE DAY BOAT!

Freshly serviced, anti fouled and polished Feb 26, she is ready to go this season.

Please call us on 01243 550042 for more information.
Accommodation :
Accommodation:

Below deck, the Cap Camarat 10.5 CC offers surprisingly comfortable accommodation for a centre console, including a bright cabin with double berth, separate enclosed head compartment, and practical storage — ideal for overnight stays or extended days on the water.
