Brand New Boat - Due Delivery Swansea Late April 2026 - Available Immediately

RRP £106,754 - SPECIAL OFFER £89,000

This is a highest specification, brand new Model Year 2026 Merry Fisher 695 Sport currently available, complete with 626 hull stamp and offered in the desirable 2-door configuration. Powered by the Yamaha 150HP steer-by-wire outboard with 6X9 control system and CL5 display, this example benefits from a notably enhanced helm set-up. The addition of Yamaha Autopilot, Bow Thruster and Electric Bow Windlass significantly elevates both close-quarters handling and general cruising capability. The Premiere Trim Pack transforms the wheelhouse environment, adding a sliding roof hatch, sliding portside window and twin wipers with screen wash for improved ventilation and visibility. Internally, the upgraded seating layout with saloon table, interior cushions and third bolster seat provides flexibility whether underway or at rest. On deck, this boat stands out. Polyester bathing platforms, folding portside bench, cockpit table and aft bench, and upgraded side rails maximise usable space. The Fishing Kit, complete with sea pump and additional rod storage, ensures it remains true to the Sport concept while retaining family-friendly versatility. The enclosed heads compartment with marine toilet and holding tank adds genuine practicality for day cruising and weekends aboard. With shore power, water system and cockpit shower also specified, this example represents one of the most comprehensively equipped 695 Sport models currently on the market. Advertised inclusive of VAT, with the option to supply ex-VAT if preferred.
