MOODY 54 DS ? 2018

Premium bluewater cruiser ? Electric sail handling ? Bow & stern thrusters ? VAT paid

This 2018 Moody 54 Deck Saloon, designed by Dixon Yacht Design, is a renowned bluewater cruising yacht combining exceptional onboard comfort, excellent seaworthiness and very easy handling.

The Deck Saloon concept provides panoramic views from the saloon and a living space comparable to that of a 60-foot yacht, while maintaining impressive sailing performance.

Very well maintained by her meticulous first owner, this yacht is fully equipped for offshore cruising, featuring electric sail handling systems, retractable thrusters, recent sails and strong energy autonomy.

Main Characteristics

Model: Moody 54 DS Naval architect: Dixon Yacht Design Builder: MOODY (Hanse Yachts) Year: 2018

Length overall: 17.15 m Waterline length: 15.15 m Beam: 5.20 m Draft: 2.65 m

Displacement: approx. 25 t

CE Category: A ? Ocean

Cabins: 3 + crew cabin Accommodation: up to 8 guests

The yacht features a light blue hull wrap, white superstructure and Flexiteek decking, combining elegant aesthetics with easy maintenance.

Easy Sail Handling & Deck Equipment

This Moody 54 DS has been configured for comfortable short-handed sailing, thanks to a comprehensive electric sail handling system.

Main equipment includes:

2 Lewmar electric winches for primary sail handling

Electric Furlex furlers for genoa and staysail

Selden in-mast furling system for the mainsail

High-performance running rigging (Spectra / polyester)

Carbon bowsprit for downwind sails

All sail controls are led back to the cockpit, allowing safe and efficient sail management directly from the helm stations.

Docking Assistance

To ensure effortless manoeuvring in marinas and tight harbours, the yacht is equipped with powerful manoeuvring aids:

Max Power retractable bow thruster

Twin steering wheels with full navigation consoles

These systems allow precise and controlled manoeuvres, even in challenging conditions.

Sail Inventory

Set of Elvström HPM sails (2021) in excellent condition:

Mainsail ? 81 m² (in?mast furling)

Genoa ? 79 m² on electric furler

Staysail ? 65 m² on electric furler

Gennaker ? 200 m²

This sail plan provides excellent power, versatility and ease of use.

Cockpit & Exterior Areas

The cockpit is designed as a true outdoor living space, divided into two areas.

Aft helm area

Twin steering wheels

Raymarine navigation displays

Direct access to sail handling and winches

Large storage lockers

Access to the tender garage through the swim platform

Forward cockpit lounge

Comfortable seating areas

Folding cockpit table

Large electric bimini covering the entire cockpit

Engine & Propulsion

Engine: Volvo Penta D3 ? 150 HP Engine hours: approx. 1,500 h

Tank Capacities

Fuel: 900 L Fresh water: 800 L Black water: 265 L

Estimated cruising range: approx. 900 nautical miles.

Energy & Autonomy

The yacht is equipped for extended cruising with a strong onboard energy system:

Fischer Panda 15 kW generator

800 Ah lithium battery bank (2023)

Solar panels

Victron battery charger

Victron inverter 12V / 220V ? 2500 W

Electrical systems: 12V / 24V / 230V

Navigation Electronics

Full Raymarine navigation suite including:

Raymarine Axiom multifunction displays

GPS chartplotter

Radar

Depth sounder
