Beneteau Oceanis 300 ? Hydraulic Lifting Twin Keel

For sale: Beneteau Oceanis 300, a cruising sailboat well known for its balanced sailing qualities and versatility. Designed by the Finot naval architecture group, it features a hull from the same generation as the Figaro Solo 1 and the First 310, renowned for combining performance, stability and safety at sea.

The hydraulic lifting twin keel version is particularly rare. This configuration allows access to shallow anchorages and safe drying out while maintaining very good sailing performance.

This boat has benefited from careful maintenance and several important upgrades.

Key features:

Hydraulic lifting twin keel Mast replaced and increased in height for improved performance Approx. 51 m² spinnaker Tiller rebuilt in stainless steel Seaworthy, responsive and reassuring behaviour in stronger sea conditions

Recent works (invoices available):

Engine heat exchanger replaced New wet exhaust elbow New genoa furler / headsail furling system Standing rigging professionally checked and adjusted Recent hull service with antifouling Through hull valves inspected and replaced (marine toilet and cooling circuit)

Main characteristics:

Length: 9.20 m Beam: 3.30 m Draft: variable (hydraulic lifting twin keel) Naval architect: Finot Group

The Oceanis 300 is well known for offering remarkable interior space for a 9 meter sailboat. Its spacious cockpit and bright interior make it a very pleasant cruiser both at sea and at anchor.

A sound and well maintained boat, ready to sail.

Viewing possible by appointment. Please contact for further information.
