**Remarks :**

The Neptunian 33 is a timeless and rugged cruiser, designed by renowned naval architect Alan Buchanan and built by Tyler Boat Company. This centre-cockpit ketch is a true offshore-capable cruiser, combining traditional seaworthiness with comfortable liveaboard accommodation. Built to a high standard with a solid GRP hull and long keel, the Neptunian 33 is known for its exceptional stability, safety, and forgiving handling in heavy weather&mdash;making it ideal for coastal cruising or extended passages. The ketch rig provides a flexible sail plan, allowing easy short-handed sailing and balanced performance in a wide range of conditions.

'Magic Wind' would make a great live-aboard for someone who is also looking to undertake some further afield cruising. A recent survey from 2022 is available on request. Blistering on the hull and rudder were found but deemed to not be leading to any de-lamination. She has previously had preventive epoxy osmosis treatment.

Owners comments - 'I have lived on Magic Wind for the last 12 years. She was sailed regularly up until 4 years ago around the Solent but she has a much larger sailing potential in her. As I live on the boat I can say that at this time she is in a very sound condition. The only possible thing you may want to upgrade is new batteries'.
