Washing machine : No

TV antenna : No

SAT-TV : No

IceMaker : No

Oven : No

Gas stove : No

Heater : No

Dishwasher : No

TV : No

Various

Remarks :

'Alenka' is a great opportunity to obtain a lightly used NC9, constructed in 2015 to a 2016 model year. She has a very high specification which includes just some of the following; Raymarine plotters x 2, Raymarine Radar, Bow thruster, Electric sliding roof, Rear facing reversing camera, Autopilot, Webasto heating, Electric toilet and much more!

Incorporating all the qualities that have made the NC11 a success, the NC9 captures the same attitude on a smaller scale. Ideal for a couple or small family with her two cabins, large saloon and galley she also provides a rather cost effective way into boating as she comes equipped with a single Volvo diesel engine.

Having been lovingly cared for by her owners over the years, the current owners will be very sad to see her go but hope she will provide plenty of fun boating going forward for her new owners. Comprehensive service history from new we strongly suggest early viewing.

Please call us on 01243 550042 for more information. Viewings available by appointment.

Accommodation :

Accommodation:

Forward cabin with double berth, hanging locker, opening porthole and opening deck hatch

Central cabin with double berth, hanging locker and opening porthole

Heads with electric toilet, sink, pull out shower and opening porthole
