Remarks :

We are delighted to present to market this truly one-of-a-kind Broom 370, '*Necessity*' is an exceptional example that has been transformed through a fully bespoke interior refit by the renowned specialists at Setag.
From the moment you step aboard, the level of craftsmanship is unmistakable. Every surface, texture and finish has been carefully considered, resulting in an interior that exudes contemporary elegance while maintaining the inherent quality and solidity for which Broom boats are celebrated. The attention to detail, choice of premium materials and flawless execution set this vessel apart from anything else in her class.
'Necessity'

Please call us on 01243 550042 for more information and to arrange a viewing.</p>

Accommodation :

Aft owners cabin hosts a large central island berth with an upholstered bed head, panoramic window giving extensive views from the transom, fully recessed blinds, extensive wardrobe and locker space, mirrors, mixture of large storage cupboards, wardrobe and drawers.

En-suite heads in aft cabin with electric flush toilet, sink and vanity unit and separate shower compartment.

Forward guest cabin is in the upgraded double bed arrangement running parallel to the lines of the boat, upholstered surrounds and hull linings, storage under berths, two wardrobes, mirrors, roof hatch.

Day heads consists of an electric toilet, sink and ample storage.

Galley with 3-burner gas hob with glass cover, gas oven and grill, twin stainless steel sinks with hot and cold water, worktop, electric fridge, microwave, lockers, cupboard, large storage lockers beneath galley floor.

Saloon with u-shaped settee to starboard with under-seat drawers, side cupboard to port with storage under and pop-up TV, chaise lounge with separate stool and storage underneath, electric lift TV, twin roof hatches.

Aft cockpit consists of a full-width transom mounted bench seat, convertible helm and navigator's seat that provide comfortable seating for up to six, plenty of room for entertaining.

Large helm console with excellent all-round visibility and sight of engine instruments and navigational aids, the helm position and aft cockpit are covered with a 2-part canopy which is easily removed.
