**Remarks :**

&ldquo;Morveren&rdquo; is a 2004 version of the popular Cornish Crabber 17 which is a recreational keelboat, built predominantly from hand-laid, solid fibreglass, and adorned with wood trim and wooden spars. Its GRP hull, certified with a CE classification of Class C, allows it to navigate along local coastlines, rivers, and canals with ease.

This version comes with a 5hp Mercury outboard, depth and speed log, a stainless-steel boarding ladder on the transom for easy access.
