Various

<p>Whisky Romeo II is a fabulous Sunseeker Superhawk 48. The high-performance Sunseeker Superhawk 48 has triple-engine outdrives, with a deep cockpit and responsive controls to guarantee a secure ride and speeds up to 44 knots. Yet her racing hull belies the comfortable interior within. The clever design of this craft allows a surprisingly high level of practical comforts. With new cockpit flooring she presents very well.</p><p>Whisky Romeo II is in fantastic condition. The upholstery, flooring and cabin furniture all look superb. She has had very light use and spent most of her life ashore. She is still almost new below decks. The previous owner, who lightly used her since he purchased her from new, spent over Â£25 000-00 on mechanicals, preparing her to sell two years ago. In the two years that the present owner has owned her he has sorted every possible issue that arose, keeping her in tiptop condition, but he has had his fun and wants go back to sail.</p><p>The Superhawk is a serious performance cruiser and very sort after. This is a fabulous opportunity to own a future classic Sunseeker.</p><p>The centre engine is just being replaced completely, due to a con-rod going through the sump of the old one. Spares from the previous engine will be available.</p><p>Inventory
Bow Deck Cushions
Bed conversion for the cockpit
Full Cockpit Covers (as on the boat now)
Tonneau cover
Full hull over cover
Instrument covers
Fenders
Mooring lines</p><p> </p><h4>Disclaimer:</h4>The Company offers the details of this vessel in good faith but cannot guarantee or warrant the accuracy of this information nor warrant the condition of the vessel.
