**Remarks :**

Moonstone of Marlow is a 12 Ton Hillyard designed and build by Hillyard in Littlehampton, 1968. A very popular centre cockpit layout, giving excellent accommodation both forward, and in the spacious rear cabin. She&nbsp;is one of the last timber boats built by Hillyard.

Moonstone of Marlow has been lovingly owned by her current owner since 2009. Before his ownership she was treated to a substantial re-fit, and since then she has been maintained religiously.&nbsp;

She is solidly built of Mahogany carvel planking on oak frames to Lloyds standards. She is copper fastened, and has an iron ballast keel, stainless steel bolted with an internal ballast of&nbsp;approximately&nbsp;2 tons. This is part lead, part pig iron.&nbsp;

She comes with good history, having only had 4 owners from new. Her first owner being for just 1 year, second for 33 years, third for 9 years and current owner since 2009. Over her lifetime she has been&nbsp;extensively&nbsp;sailed aorund the UK, France, Channel Islands, East Coast UK, and laterly the West Coast of the UK.&nbsp;

Further detailed information can be found inside her advert.&nbsp;

She is lay afloat in Milford Marina with Yachts Co International Boat Sales Milford Marina. Office line: 01646 278270. Mobile / WhatsApp 07709 095683. Email Milford@yachts.co.
