Guy Couach 1701

I regretfully part with this magnificent star. Like me, you will appreciate its flawless seaworthiness, its manufacturing quality and its exceptional comfort. The cabins are particularly pleasant and the main deck, whether interior or exterior, offers varied possibilities for enjoying long cruises.

This Guy Couach also has a whole range of equipment that will make you feel at home. Little extra, the stern thruster, very useful in case of strong wind for arrivals at port.
