Remarks :
<p>The Elan 333, designed by renowned naval architect Rob Humphreys, is a superbly balanced sailing yacht that provides spirited performance and comfortable cruising. This model is widely respected for it's responsive handling, sleek lines and excellent build quality. This is a boat that will look after you out on the water whilst giving you the opportunity to push your limits with an exciting sail. 'Islay' has exceptional racing pedigree finishing first in a number of races and performing well throughout.

At 33ft the Elan 333 is the perfect size for both short handed sailing and sailing with crew. Her powerful and yet easily managed sail plan means she is easily handled and delivers outstanding performance in a variety of conditions, while her deep fin keel and well balanced rudder provide confidence and control under sail.

'Islay' Comes fully equipped with comprehensive navigation equipment, deck equipment and an impressive complement of sails. She has also been very well maintained in good condition to racing standards. Down below there is a spacious saloon with comfortable seating and a folding leaf table, ample headroom and a fully functioning galley .This is the ideal boat for those looking to explore coastlines, win races and engage in some exciting sailing.
