Electric stove : No

Washing machine : No

TV antenna : No

SAT-TV : No

IceMaker : No

Oven : No

Gas stove : No

Heater : No

Dishwasher : No

TV : No

Various

Remarks :

'Flypast' is an excellent example of the Jeanneau NC9, constructed in 2015 to a 2016 model year. She has a very high specification which includes just some of the following; Raymarine plotter, Raymarine Radar, Raymarine Evolution EV-1 with a P70RS control head Autopilot, Raymarine AIS, Raymarine VHF, Bow thruster, Webasto heating, Teak decking, Electric toilet, copper coated and much more with many updates being made.

Incorporating all the qualities that have made the NC11 a success, the NC9 captures the same attitude on a smaller scale. Ideal for a couple or small family with her two cabins, large saloon and galley she also provides a rather cost effective way into boating as she comes equipped with a single Volvo diesel engine. She has been well looked after by her owners over the years. Comprehensive service history from new we strongly suggest early viewing. Please call us on 01243 550042 to arrange a viewing.

Accommodation :

Forward cabin with double berth, hanging locker, opening porthole and opening deck hatch

Central cabin with double berth, hanging locker and opening porthole

Heads with electric toilet, sink, pull out shower and opening porthole

Saloon seating with flip up backrests to face forward and aft

Telescopic rise and fall table

Webasto heating throughout

Galley with gas oven, sink and microwave

Aft cockpit bench seat with folding table and storage
