DESCRIPTION

2021 Excess 11 sailing yacht, currently lying in Lefkas Marina and presented in a well-equipped, ready-to-use condition. This modern catamaran combines sporty sailing performance with a practical, easy-to-manage layout, making it an excellent option for relaxed island hopping with family and friends.

The yacht offers a versatile accommodation arrangement with four double guest cabins, two additional single berths in the bow compartments, and a convertible saloon, comfortably sleeping up to ten. The cockpit and helm areas are well designed for sociable time on board, featuring twin helm stations, full exterior cushions, biminis, and a spacious aft seating area with excellent storage.

Powered by twin Yanmar 29HP engines, both recently serviced in December 2025 along with the sail drives, she benefits from a reliable and efficient setup. The sail plan includes a square top mainsail and self-tacking jib, making her straightforward to handle whether short-handed or with guests on board.

A strong specification includes Raymarine navigation electronics, solar panels with Victron charging, AGM battery bank, electric toilets, hot water system, and a full inventory of cruising equipment. Supplied with a 2.90m RIB tender (2025) and Honda outboard, she is fully equipped for immediate use.

BROKER'S REMARKS

This Excess 11 offers a very appealing balance of modern styling, enjoyable sailing performance, and practical day-to-day usability. The twin helm arrangement keeps the cockpit open and social, while still giving the helmsman good visibility and control, making her particularly well suited to relaxed cruising with family and friends.

The layout is one of her strongest points, with four comfortable double cabins, additional bow berths for flexibility, and a bright, open saloon. On deck, the generous seating areas, full cushion package, and well-protected helm stations create an easy, sociable environment whether at anchor or underway.
