JEANNEAU 53

Purchased new in 2010, it is not without a pang of regret that we part with this exceptional boat.
Seaworthy, comfortable, and reassuring... the Jeanneau 53 has been an impeccable cruising companion.
A major refit was carried out in 2022, including a complete replacement of the onboard electronics, a full overhaul of the watermaker, the generator, the engine cooling system, the replacement of the standing rigging and the purchase of new sails, the replacement of the seacocks... among other things.
This year, the windlass was fully dismantled for refurbishment, but it is inside that we chose to restore some of its shine with the replacement of the upholstery, the fridge, and the galley countertop.
Thus, future owners may perhaps appreciate this superb vessel at its true worth. Jeanneau 53 More details and pictures on xboat.uk
