JEANNEAU 53

Bought new in 2010, it is with a heavy heart that we part with this exceptional boat.

Seaworthy, comfortable, safe...the Jeanneau 53 was an impeccable cruising companion.

A major refit was carried out in 2022, with a complete replacement of the onboard electronics, the major overhaul of the watermaker, that of the generator, the replacement of the engine cooling system, the change of the standing rigging and the purchase of new sails, the replacement of the hull fittings...among others.

This year, the windlass was completely dismantled for repairs, but it was on the inside that we chose to give it a little shine with the replacement of the upholstery, the fridge and the kitchen worktop.

Thus, future owners will perhaps be able to appreciate this superb unit at its fair value.
