Various

Remarks :

'Spangles' is a very well equipped and nicely presented Moody 31MKII. Fitted with recent upgrades such as a new engine in 2018, shore power and battery charger new in September 2025, Raymarine ST2000+ tiller pilot new in 2024, Spinlock tiller extension new 2024 and much more we would highly recommend an early viewing.

The Moody 31 is a classic British 31-foot cruising sailboat designed by Bill Dixon and built by Moody Yachts during the 1980s and early 1990s. It is widely regarded as a solid, comfortable family cruiser with strong seaworthiness and practical accommodation.

The owner is only selling due to wanting to upgrade to a slightly larger boat.

Please call us on 01243 550042 for more information.
