Remarks :
<p>The Trapper 300 is a compact sailing boat designed for reliability, stability and enjoyable days out on the water. Perfect for coastal cruising, lake adventures and day trips it combines a classic style with practical performance which will suit both new and experienced sailors.

Built with a durable hull and easy-to-handle rigging, the trapper 300 delivers smooth handling and dependable sailing in a variety of conditions. It's Spacious cockpit layout provides plenty of room for sailing with crew.

Known for solid construction and seaworthy design the Trapper 300 will look after you out on the water offering an excellent balance of comfort, performance and value. 'Crazy Horse' has been well maintained by her current owners who have used her regularly and kept her in top notch sailing condition. Refitted in 2014 with a new Engine and a lead extension to her cast iron keel. The topsides were professionally spray painted with Awlcraft acrylic urethane which has given her a 'like-new' finish.

The front cabin has been stripped, removing weight and increasing her raceability. She comes with a full wardrobe of Carbon sails as well as dacron sails. This is a great opportunity to get out on the water with a ready-to-sail, well fitted sailing boat. For those looking for exciting day sails this offers incredible bang for your buck.
