Various

Jeanneau Cap Camarat 8.5CC now in the online auction. everyone can bid until 14 December 2026.
<h2>Jeanneau Cap Camarat 8.5CC Ready for Adventure</h2> This 2018 Jeanneau Cap Camarat 8.5CC is a sporty centre-console boat that invites you to head out on the water, whether for a fast afternoon on the lakes or a relaxing weekend on larger waters. With a length of 8.37 metres and a beam of 2.98 metres, the Cap Camarat offers a pleasantly spacious feeling on deck, while her V-shaped hull ensures a stable and comfortable ride. Built in polyester, she is designed as a true all-rounder: fast cruising, comfortable seating and the possibility of spending the night on board.

Jeanneau Cap Camarat 8.5CC now available in the online auction. Everyone can place a bid until 14 December 2026. The boat comes from her first owner, who has enjoyed many hours on the water with her and is now moving up to a larger vessel. She has been used on inland waters, lakes, waterways and rivers, as well as at sea. This suits the character of the model perfectly: a Jeanneau Cap Camarat 8.5CC is a popular choice for anyone looking for a sporty speedboat with a practical layout and a modern appearance. <h3>What makes this Jeanneau Cap Camarat 8.5CC so appealing?</h3> Her combination of space, performance and ease of use immediately catches the eye. The twin outboard engine setup gives her the power for sporty cruising while also allowing smooth manoeuvring. Steering is via a wheel at the exterior helm position, exactly as you would expect from a centre-console boat. The deck is arranged for enjoying time with company, with exterior cushions, a bimini for shade and a teak deck that gives her a warm, luxurious appearance. She is also practically equipped with fenders and lines, a cover and a swimming platform with bathing ladder for an easy dip or a relaxing break at anchor. <h3>Which engines does she have and what can you expect on the water?</h3> She is equipped with two Evinrude outboard engines of 200 hp each, built in 2018, with electric start and six cylinders per engine. This twin setup suits the sporty character of the Cap Camarat 8.5CC perfectly and gives her plenty of control, including when mooring or turning in tight spaces. Both engines are operational. For anyone searching for a Jeanneau Cap Camarat 8.5CC with twin outboards, 2 x 200 hp or a sporty centre-console boat, this is a configuration that is often high on the wish list. <h3>Is she suitable for day trips as well as weekend getaways?</h3> Yes, she is specifically equipped for both. For a day of boating and leisure cruising, the deck is spacious and sociable, with comfortable seating and a pleasant layout for relaxing. For a weekend away or short holidays, she offers two fixed berths with mattresses inside. There are also facilities that make staying on board more comfortable, such as a refrigerator, a shower and a manual toilet. This makes her more than just a fast speedboat; she is also a practical weekend boat for anyone who enjoys spending more time on the water. <h3>What about navigation and electrical equipment on board?</h3> She is fitted with navigation equipment suitable for both inland and coastal use, including a depth sounder, GPS and chartplotter. This makes planning and following routes straightforward, especially on unfamiliar waters. Shore power is also available on board, together with a battery charger, which is convenient in a marina or at a jetty. An electric bow thruster also assists with manoeuvring, something many skippers appreciate when dealing with wind or limited space. <h3>What is known about maintenance and documentation?</h3> Documentation is available in the form of maintenance and purchase records. She was last taken out of the water for maintenance in 2026, and the last antifouling treatment was carried out in 2025. It has been stated that there is no osmosis or evidence of osmosis, and no known defects have been reported. For buyers searching through a boat auction for a Jeanneau Cap Camarat 8.5CC with a clear history, it is reassuring that these details and documents are available. For anyone looking for a Jeanneau centre-console boat that combines sportiness with
