Washing machine : Yes
TV antenna : No
SAT-TV : Yes

Various

XBOAT ref :6340.
The Privilege Serie 6 TINTO is a 2018 sailing catamaran built by the Privilege shipyards, renowned for their manufacturing quality, finishes, and layouts. Used only a few months per year by its sole owner and with fewer than 500 engine hours, it is now available for sale.

Its sleek hull lines provide a clear improvement in performance at various points of sail, bright cabins, and buoyancy allowing for significant equipment and payload without affecting the vesselâ€™s stability and comfort at sea.

The protected cockpit is fully teak-decked with a large table and benches, sunbathing areas, while the aft platform allows for easy dinghy handling and features comfortable, secure swim platforms for water sports. The deck is equipped with flush hatches, and access to the flybridge is via both sides, offering a helm station to port and a lounge area.

Inside, the finishes are refined: glossy varnished oak woodwork, Alcantara headliners, and leather upholstery. The dining area to starboard, a lounge space to port with a coffee table, the chart table at the entrance, and numerous storage spaces, not to mention the 43-inch flat-screen TV.

TINTO is configured in a superb ownerâ€™s version with a central forward suite on the bow, two other VIP cabins aft, and a third forward cabin to starboard dedicated to the crew, plus a forward peak. The fully equipped and bright galley is located in the passageway, well-ventilated.

In terms of performance, the Privilege Serie 6 TINTO is optimized with its carbon mast and boom, Hydranet sails with gennaker and code zero. For comfort, nothing is missing: electric davits, Yanmar 160hp engines, generator, watermaker, solar panels, hydraulic passerelle, lithium batteries, air conditioning... In short, an exceptional unit! More details and pictures on xboat.uk
