Fulmar is a 2005 Jeanneau Merry Fisher 625 powered by a reliable 2004 Yamaha 115hp four-stroke outboard with approximately 255 hours from new. A well-regarded and versatile coastal cruiser, the Merry Fisher 625 offers comfortable accommodation, practical deck space, and economical running costs, making her ideal for fishing, day trips, or weekends away. The wheelhouse provides good visibility and shelter, with seating, galley space, and berths for overnight use. The cockpit is spacious and easy to move around, with secure side decks and sensible storage throughout. The Yamaha engine starts and runs well and has low hours for her age. Fulmar has been well cared for and presents as a tidy, honest example of this popular model. A great opportunity to purchase a capable and easy-to-handle Merry Fisher ready for the season.
