Lagoon 620 ESENSE

Flagship of the Lagoon range, the 620 Esense embodies all the expertise of this iconic shipyard.
This unit has undergone a comprehensive refit in 2024, including the installation of two new engines, significantly more powerful than the original setup, a new air conditioning system, a fully overhauled electrical installation, new onboard electronics, new Ewol propellers, new bow thrusters, an almost complete set of new appliances, an 80kg stainless steel chain and anchor (replacing the original 45kg anchor), the fitting of a cockpit table on the flybridge, and a Starlink system.
As the ultimate convenience, most of the boatâ€™s main functions can be remotely controlled via a remote (engines, thrusters, air conditioning, etc.): over â‚¬700,000 in invoices.
VAT paid for Europe + Spanish registration tax.
