Various

XBOAT ref :6349.
Modified based on a BAYLINER CIERA, the COSTERO customized by the shipyard ASTILLERO RICO S.L in Alicante.
A very easy-to-pilot vessel with its bow thruster and 260 HP Volvo Penta engine. A unique and functional hard-top. A beautiful blue, white, and black color scheme.
Featuring a multifunction display with GPS chartplotter, depth sounder, and autopilot control, all navigation electronics are within easy reach at the simple-to-use, comprehensive, and visible helm station. The COSTERO customized by the shipyard ASTILLERO RICO S.L in Alicante has a wide swim platform with a bathing ladder for safe swimming. With its electric windlass controllable from the helm, the COSTERO customized by the shipyard ASTILLERO RICO S.L in Alicante makes anchoring effortless.
Powered by a 191 kW Volvo KAMD 44P diesel engine, the COSTERO customized by the shipyard ASTILLERO RICO S.L in Alicante has no trouble cruising at high speeds. Equipped with a Volvo flap control system, navigation comfort is ensured.
Its unique hard-top is highly practical with built-in lighting. The hard-top is also fitted with solar panels, managed by an electronic battery charging system. The COSTERO customized by the shipyard ASTILLERO RICO S.L in Alicante features elegant wood trim on the sides and stern, as well as synthetic teak flooring. Inside the COSTERO customized by the shipyard ASTILLERO RICO S.L in Alicante, all amenities are available. A comfortable lounge convertible into a bed with a TV, a spacious aft cabin, electric toilet with shower, and a galley with a microwave. More details and pictures on xboat.uk
