Archambault Suspens 84 ? The Ultimate Performance Cruiser-Racer!

A true icon from Archambault, the legendary French shipyard established in 1967, renowned for performance, innovation, and uncompromising quality. Their sailboats, often built for competitive racing, also excel in comfort and livability, making them the perfect choice for both thrilling regattas and relaxed cruising.

The Suspens 84 is the flagship model of the range? a true elder brother to the Supens (more compact). At 10.15 m long, it delivers:

Generous interior volume (spacious forward cabin, comfortable saloon)

Optimized hull for high performance while keeping rigging accessible

Perfect balance between racing excitement and cruising comfort? the ideal boat for those who refuse to sacrifice speed for livability!

This model embodies the "Grand Grand Surprise" philosophy: a boat that surprises with its versatility, robustness, and ease of handling, whether sailed single-handed or with a crew.
