<p><p>Osprey is a 2009 Quicksilver 530 Fishmate presented in good condition and benefiting from a recent professional repower with a new Tohatsu 60hp outboard with only 20 hours use. Also fitted with a new Tohatsu 3.5hp auxiliary engine, making this an outstanding and reliable fishing or coastal cruising package. The boat comes complete with a road trailer, plotter and fishfinder, and is ready for immediate use. <p><p>The Passport 530 Fishmate is well regarded for its practical pilothouse layout, economical running costs and capable sea-keeping for a boat of this size. With the reassurance of virtually new main and auxiliary engines, this is a rare opportunity to acquire a highly usable package with minimal future engine expenditure anticipated. <p><p>The two elderly owners are reluctantly parting with their much enjoyed boat due to ill health.<p><h4>Disclaimer:</h4>The Company offers the details of this vessel in good faith but cannot guarantee or warrant the accuracy of this information nor warrant the condition of the vessel.
