Finnmaster Husky R7 now in the online auction. everyone can bid until 24 August 2026.

rugged finnmaster husky r7 for everyday use anyone looking for a sporty aluminium motorboat with comfort, looks and a practical layout will find this finnmaster husky r7 a particularly attractive candidate on boatauction. built in 2020 by finnmaster boats oy, she combines a robust aluminium hull with a modern, inviting cockpit. with a length of 6.54 metres and a beam of 2.35 metres, the husky r7 feels spacious, while remaining easy to handle for a day trip, a weekend away or quick manoeuvring in the harbour. thanks to her v-hull, the boat tracks well and feels stable€”whether you are cruising quietly through canals and waterways or picking up speed on open water.<p>the husky r7 has been used on a variety of waters, from inland waterways and lakes to rivers and even at sea. that suits her character: she is built to do a lot, without becoming complicated. steering is via an outside helm wheel, providing a direct, sporty boating experience and good all-round visibility. the boat is registered with an rdw registration and purchase documentation is available.</p>finnmaster husky r7 now in the online auction. anyone can bid up to and including 24 august 2026.</h3><h3>what makes this finnmaster husky r7 so attractive?</h3><p>this finnmaster husky r7 is an aluminium console boat with a tough look while offering comfort for those on board. she is fitted with exterior cushions and has two benches in the bow with luxury cushions, so you can sit comfortably up front while underway or at anchor. in the cockpit there is a sunbed, ideal for relaxing moments on the water. for shelter and practical use, there are covers: a deck cover, a cover for over the bow and a cockpit tent over the cockpit. this allows you to close her off easily and helps keep the boat tidy when not in use.</p><p>swimmers have been considered too. the swim platform and swim ladder make getting back on board from the water comfortable€”whether you take a dip on a warm day or moor up by a small beach. fenders and lines are included, so you are immediately well prepared for mooring.</p><h3>how does she run with the yamaha 150 hp outboard?</h3><p>on the transom is a 150 hp yamaha outboard from 2020, electrically started and in working order. this combination suits the sporty character of the husky r7 perfectly. you get brisk acceleration for watersports or fast transfers, while relaxed cruising at lower speed remains pleasant. the v-hull contributes to stable handling and good tracking, even when moving slowly along quays or through narrow waterways. fuel is petrol, making this setup familiar and practical for many boaters.</p><h3>is she suitable for day trips and holidays?</h3><p>yes€”this finnmaster husky r7 is strong precisely because of her versatility. she has been used for day boating, leisure cruising, sporty boating and holidays, and you can see that in the layout and equipment. the forward seating invites you to cruise together, while the cockpit with sunbed is a great place to lounge. with the cockpit tent you create shelter from wind or a cool evening, extending the season. thanks to her dimensions, she is also a pleasant choice for anyone looking for a sporty motorboat that is not too large for a berth, yet offers mature handling on lakes and rivers.</p><h3>what is known about maintenance and hull protection?</h3><p>the boat was last taken out of the water for maintenance in 2026. antifouling is not specified, which can vary depending on use and storage for this type of boat. notably, the underwater hull is fitted with a nano coating, intended as protection against dirt. in practice, this can make cleaning easier and helps keep the hull looking neat. no known defects have been reported.</p><p>if you are looking for a finnmaster husky r7 for sale as an aluminium motorboat with a yamaha 150 hp, cockpit tent and sunbed, this is a complete and inviting package to discover via boatauction. she is ready for new boating plans€”from relaxed trips to sporty days on open water.</p></p>
