## Various

**Remarks :**

A very fine example of the unsinkable Etap 21i trailer sailer for sale in Lymington. 'Meerkat' is in very good condition throughout and has been lightly use. She is powered by a Honda 10 hp engine with electric start and power generator. The Etap 21 i sleeps 4 . There are two side by side berths and up forward a twin berth with a fill in to make up a double. The galley area has a two burner stove ,stainless steel sink and storage. The cockpit is large and all lines lead back to it. The Etap 21 i is a capable club racer and proper coastal passage maker.She is double skinned that makes her unsinkable and also makes her cabin quite and reduces condensation. She comes with a colour chart plotter and autohelm. The Etap 21i sails better and has a far higher build quality than the Jeanneau 2000 or Beneteau 211.

**Accommodation :</strong>**

The Etap 21 i sleeps four with two side berths and either a twin vv forward berth which can be fillin in to make a double. She has a dining table and a sink and two burner stove.
