Various

Remarks :

A very fine example of the unsinkable Etap 21i trailer sailer for sale in Lymington. 'Meerkat' is in very good condition throughout and has been lightly used. She is powered by a Honda 10 hp engine with electric start and power generator. The Etap 21i berths 4. There are two side by side berths and up forward a twin berth with a fill in to make up a double. The galley area has a two burner stove ,stainless steel sink and storage. The cockpit is large and all lines lead back to it. The Etap 21 i is a capable club racer and proper coastal passage maker. She is double skinned that makes her unsinkable and also makes her cabin quiet and reduces condensation. She comes with a colour chart plotter and autohelm. The Etap 21i sails better and has a far higher build quality than the Jeanneau 2000 or Beneteau 211.

She comes with a road worthy trailer.

'Meerkat' had been well cared for and maintained by its current owner, she is taken out of the water every year and her engine is serviced annually. This is an excellent opportunity for low budget sailing adventure on a safe and exciting Etap 21i.

To arrange a viewing please contact Douglas Ross on 07469972705
