<p>XBOAT ref :5835.

The owner states:

"This BENETEAU Flyer 701 is designed for coastal cruising.

It offers numerous advantages, particularly its 4 berths and galley.

Sold with its trailer, it does not require a berth at the marina, which is indeed a plus.

We use it very little, which explains the low engine hours.

200 hours for a Volvo ...

This boat is functional, easy to maneuver and transport.

This Flyer 701 has always been well-maintained." More details and pictures on xboat.uk</p>
